

Medical Laboratory Technology, AAS

Graduation and placement rates

The program's graduation and placement rates are high and are compared to the NAACLS benchmark of 70% over a three-year period. In regards to graduation rates, this is based on those students who begin the second half of the program and complete it. Occasionally, students voluntarily withdraw or do not complete the program for a variety of academic and non-academic reasons. For placement rates, many students are hired immediately upon graduation.

Certification exam pass rates

The program's pass rate is compared to the national pass rate and to the NAACLS benchmark of 75% over a three-year period.

BOC Pass Rate:

	2022	2023	2024
No. of graduates	7	1	8
No. who sat for BOC within 1 year	5	1	6 Year-to-date
No. who passed BOC within 1 year	5	1	5 year-to-date
% passed	100%	100%	83%
National average	79%	78%	78%

- Three year rolling pass rate 92%

Graduation Rate:

Based on final half of program; in [MEDT 2044](#) and/or [MEDT 2214](#) fall semester.

	2022	2023	2024
No. who began final half	6	4	6
No. who began final half and graduated	6	1	6
No. who graduated within 1 1/2 years from the final half	1	0	2*
Graduation rate	100%	25%	100%

* 2 students from this class graduated in 2024

- Three-year graduation rate 75%
- Three-year attrition rate 19%

Placement Rate:

	2022	2023	2024
No. graduates who responded	5	1	6
No. employed in related field	5	1	6
No. continued education	0	0	0
Placement rate	100%	88%	100%

- Three-year placement average 100%

Registered Nursing, AAS

The following achievement data is provided to demonstrate the preparedness of KCC's Associate Degree Nursing graduates:

- Recent RN pass rates: 91% (2014,) 88% (2015), 86% (2016), 91% (2017), 90% (2018), 100% (2019) - All are above the national and state averages.
- Program completion average: approximately 72%
- Current job placement: 100%

Practical Nursing, Advanced Certificate

The following achievement data is provided to demonstrate the preparedness of KCC's Practical Nursing graduates:

- NCLEX-PN pass rate: 100% (2013-19)
- Program completion average: Approximately 60%
- Current job placement: 100%

Phlebotomy, Certificate

Graduation rates

Graduation rates are high. They are based upon those who began the second half of the program and completed it and are compared to the NAACLS benchmark of 70% over a three-year period.

Placement rates

Placement rates are determined by feedback from graduates using a survey 6 months after completion. Rates are determined by those indicating they are seeking employment or who have become employed in the field. They are compared to the NAACLS benchmark of 70% over a three-year period.

Certification exam pass rates

The program's pass rate is compared to the national pass rate and to the NAACLS benchmark of 75% over a three-year period.

KCC ACCREDITED PROGRAM EXAM PASS RATES

Phlebotomy BOC Pass Rate:

	2020	2021	2022	2023
No. of graduates	31	33	41	30
No. who sat for BOC within 1 year	1	3	1	0*
No. who passed BOC within 1 year	1	3	1	0*
% passed	100%	100%	100%	TBD*
National average	91%	91%	91%	91%

- *No students registered for ASCP Phlebotomy exam as of 5/30/23
- Three-year pass rate 93%

Graduation Rate:

Based on final half of program; in [HLTH 1412](#)

	2020	2021	2022	2023
No. who began final half	28	34	43	30
No. who began final half and graduated	26	33	41	30
Graduation rate	93%	97%	95%	100%

- Three-year graduation rate 97%
- Three-year attrition rate 3%

Placement Rate:

Based on response rate from six-month graduate surveys, low response rates.

	2020	2021	2022	2023
No. graduates who responded	14	17	15	TBD**
No. employed in related field	12	12	12	TBD**
Placement rate	86%	71%	80%	TBD**

- **Surveys to be sent 6 months post-graduation.
- Three-year average placement rate is 79%.

Paramedic

**RIVERSIDE MEDICAL CENTER – EMS SYSTEM
PARAMEDIC EDUCATION PROGRAM #600678**

The Riverside Medical Center – EMS System Paramedic Program is accredited by the Commission on Accreditation of Allied Health Education Programs, upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Profession. The Paramedic Education Program has an affiliation agreement with Kankakee Community College for instruction of the Paramedic Education Program.

To remain in compliance with The Commission on Accreditation of all Allied Health Educational Programs (CAAHEP) and the Committee on Accreditation of Educational Programs for the EMS Professions (CoAEMSP) national standards.

The following are the Paramedic Education Program Outcomes:

	Cohort 2021-2022	
NREMT Paramedic Written Exam Pass Rate	60%	
Program Retention	75%	
Job Placement Outcome	60%	

ADVANCED PLACEMENT, TRANSFER OR CREDIT AND EXPERIENTIAL LEARNING CREDIT POLICY

The Riverside Medical Center – EMS System does not have an advanced placement enrollment option for the Paramedic Education Program. The program does not award transfer of credit or credit for experiential learning for previous paramedic or military paramedic training. The Paramedic Education Program has an affiliation agreement with Kankakee Community College for instruction of the Paramedic Education Program.

GOAL STATEMENT

The goal of the Riverside Medical Center – EMS System Paramedic Program is "To improve the health of the communities we serve by preparing competent Entry-level paramedics in the cognitive, psychomotor, and effective learning domains."

CAAHEP/CoAEMSP PROGRAM ACCREDITATION

The Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (CoAEMSP). The CAAHEP and CoAEMSP contact information is:
